

## Speakers include:

**Gary An**, Cook County Hospital Chicago IL  
**Rustom Antia**, Emory University  
**Sam Behar**, Harvard/Brigham and Women's  
**Lisa Borghesi**, University of Pittsburgh  
**JoAnne Flynn**, University of Pittsburgh  
**Jennifer Gardy**, University of British Columbia  
**Ronald Germain**, NIH  
**Leah Keshet**, University of British Columbia  
**Denise Kirschner**, University of Michigan  
**Alex Labrinidis**, University of Pittsburgh  
**Ha Youn Lee**, University of Rochester  
**Jingming Ma**, University of Rochester  
**Simeone Marino**, University of Michigan  
**Martin Meier-Schellersheim**, NIH  
**Penelope Morel**, University of Pittsburgh  
**Amy Myers**, University of Pittsburgh  
**Mary O'Riordan**, University of Michigan  
**Eric Pamer**, Memorial Sloan Kettering Cancer Center  
**Padmini Salgame**, New Jersey Medical School  
**Stuart Sealfon**, Mount Sinai School of Medicine  
**Shlomo Ta'asan**, Carnegie Mellon University  
**Simon Watkins**, University of Pittsburgh  
**Jeffrey Williams**, University of Rochester  
**Hulin Wu**, University of Rochester

# 2nd Biodefense Immune Modeling Summer School

Pittsburgh, PA  
June 17-22, 2007

## Goals:

Training of graduate students and post doctoral fellows in experimental techniques and computational modeling of immune response to pathogens

## Topics include:

### Tutorials:

Database development and management  
Modeling tools demonstrations

### Experimental Labs:

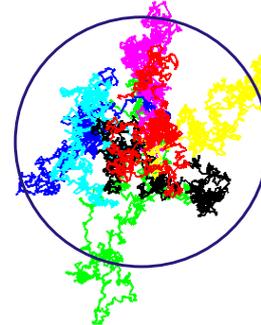

Flow cytometry  
Imaging techniques

### Modeling Labs:

ODE and ABM based models

### Modeling Symposium:

Modeling Mtb infection

**Application deadline: May 4, 2007**
