USJCMSP PUBLICATIONS AND REPORTS

Study Report on U.S.–Japan Cooperative Medical Science Programme: 1965. Japanese Committee; U.S.–Japan Cooperative Medical Science Programme.

The United States–Japan Cooperative Medical Science Program. The First Five Years: 1965–1970. Abbreviated edition. U.S. Government Printing Office: 1971 (O–421–976), May 1971.

The United States–Japan Cooperative Medical Science Program. Five-Year Report, 1965–1970. U.S. Department of State. Washington, D.C. U.S. Government Printing Office (Stock Number 4400–1370). Released July 1971.

The United States–Japan Cooperative Medical Science Program. Eighth Annual Report. Washington, D.C. U.S. Government Printing Office. Released July 8, 1975.

The United States–Japan Cooperative Medical Science Program. The Second Five Years: 1970–1975. U.S. Department of State Publication 8864, East Asian and Pacific Series 215. Bureau of Oceans and International Environmental and Scientific Affairs. Released August 1976.

The United States–Japan Cooperative Medical Science Program. Tenth Annual Report. Washington, D.C. U.S. Government Printing Office. Released July 25, 1977.

The United States–Japan Cooperative Medical Science Program. Third Five-Year Report: 1975–1980. Department of State Publication 9127: East Asian and Pacific Series 217. Bureau of Oceans and International Environmental and Scientific Affairs. Washington, D.C. U.S. Government Printing Office. Released July 1980.

Two Decades of Progress: The United States–Japan Cooperative Medical Sciences Program. The Fourth Five Years: 1980–1985. Department of State Publication 9429: East Asian and Pacific Series 219. Bureau of Oceans and International Environmental and Scientific Affairs. Washington, D.C. U.S. Government Printing Office. Released July 1985.

The United States–Japan Cooperative Medical Science Program. Fifth Five-Year Report: 1985–1990. Department of State Publication 9761: Bureau of Oceans and International Environmental and Scientific Affairs. Washington, D.C. U.S. Government Printing Office.

30 Years of Progress. U.S.–Japan Cooperative Medical Science Program. Sixth Five-Year Report: 1990–1995. Washington, D.C. U.S. Government Printing Office.

35 Years of Progress. U.S.–Japan Cooperative Medical Science Program. Seventh Five-Year Report: 1996–2000. Washington, D.C. U.S. Government Printing Office.
